

Cost Estimator

ALANTRA LEASING INC, is a family owned company from Sussex, NB that provides Canada's contractors and businesses with quality, modern office space, and custom modular building solutions since 1981. Alantra currently operates distribution and maintenance centers throughout NB, NS, PEI, Quebec, Southern Ontario, Newfoundland and Labrador.

We require a **Cost Estimator** who will be tasked to provide and review all costing information and to maintain and update our in house pricing program. This position will be based in Sussex, New Brunswick.

As the ideal candidate you will be a team player, work well with others and have an eye for detail. You have the ability to multi task while maintaining focus on deadlines. You have strong organizational skills and can communicate clearly both verbally and written.

Key Responsibilities:

- Prepare, submit and review tender documents, quotations and technical proposals
- Review our modular construction costing data and maintain and update our in house pricing program
- Work closely with our sales team to develop solutions for clients

Qualifications:

- At least 3 years experience in project estimating in the construction industry
- Working knowledge of Microsoft Office and estimating software
- Post secondary education in engineering or engineering technology
